Never Miss a Moment at the WLA x OLGN Summit

This year, every attendee gets their own personalized photo gallery, powered by Phomo.

❖ How it works:

- ❶ Upload just one selfie.
- ❷ Every photo of you from the Summit is instantly collected into your own gallery.
- ❸ No apps, no endless scrolling, no chaos. Just your memories, organized and ready to share.

- ✓ Made for every attendee
- ✓ Instant access to your event photos
- ✓ Fun, seamless, and secure

Big thanks to **Mertkan from Makhill** for bringing this innovation to the Summit.
